

# South Whidbey Parks & Recreation

## FALL ACTIVITY GUIDE

"Folks familiar with our Activity Guide were very impressed with the improvements and professional quality of the Guide once the Record began to produce it for us. I appreciate that it's become a valuable resource for finding recreational and leisure activities for all ages. People are always asking when the next guide is coming out."

Carrie Monforte  
Program Coordinator  
South Whidbey Parks & Recreation District

Don't miss a chance to support our Parks & Recreation district while letting readers know that you, too, have an interest in outdoor recreation & learning opportunities in our community.
