Sponsor Request Letter

Dear Community Partner,

Youth basketball season is just around the corner! This beloved recreation program continues to touch the lives of our community's children, keeping them active, healthy, and out of harm's way.

An important part of this program is community support of youth athletics through team sponsorship. Businesses like yours make this program possible. To keep the price affordable for the participants, we ask for a sponsorship of \$175 for each team. This sponsorship provides team jerseys with your name/logo.

If you are interested in sponsoring a team, please complete the enclosed sponsor agreement form and return it to our office by October 6th for Girls' Bball, and January 11th for Boys' Bball. Thank you for your support!

Being part of a team helps youth acquire character-enhancing values they will carry through life; values such as friendship, dependability, sportsmanship & perseverance.

Thank you for agreeing to sponsor a team!

Please mail this form & payment to SWPRD, 5475 Maxwelton Rd, Langley, WA 98260. If you would like your company logo on your team's shirts we will need a copy of your camera ready art, emailed to programs@whidbey.com.

Sponsor/Business Name _____
