September 28, 2013

10:00 a.m. – 2:00 p.m.

At South Whidbey Community Park  
5495 Maxwelton Road, Langley

## JOIN THE FUN!!

Children's Day is a festival of fun for all ages to unite and celebrate children as our most cherished and important gift. Each year island organizations, businesses and community members join together to provide a variety of booths, activities and games for this wonderful event. Last year close to 1,000 children and parents attended Children's Day. This year we look forward to even more. **We would greatly appreciate your involvement in Children's Day** and would like to invite you to participate and get the word out about your organization's activities.

All you have to do is fill out the attached form and either email it to [programs@whidbey.com](mailto:programs@whidbey.com) or mail it to South Whidbey Parks & Recreation District C/O Carrie Monforte at 5475 Maxwelton Road, Langley WA 98260. For more information, call Carrie at (360) 221-6788.

We hope to offer a variety of engaging activities for children again this year. Interactive games & activities as well as a range for different age groups is important. Please let us know if you need ideas or are open to helping us fill-in needed activities. We have found that booths where children make or create something, engage in a physical activity with another person, play music, and participate in a group activity are the most popular. We are always excited to see what activities are created from year to year.

**Thank you for your support.**

**Please return participation agreement on reverse.**
