Groove Edition features the beautiful and powerful voice of April Develos. One listen and you can't help but say she is one of the best singers you have ever heard. With April is a talented group of musicians that play a diverse mix of popular dance, R&B, rock and old school music, drawing from the hits of the 70's through the 90's to the current hits of today's up and coming artists, along with a refreshing selection of material you don't hear played by every other band. Groove Edition always treats its audiences with an incredible show and will be sure to leave you wanting more.
