### K9 NOSE WORK™ Container Element Mock Trial NW-1 \* NW-2 \* NW-3

**Saturday, November 23, 2013**  
**At Langley Middle School**  
**723 Camano Avenue, Langley, Whidbey Island, WA**

***Judges: Miriam Rose, CNWI & Georgia Edwards, MD, CNWI***  
***Sponsored by NW Noseworks & Just Nosing Around Whidbey***

#### GENERAL INFORMATION

At each level, there will be three separate container searches. You will receive expert coaching by your judges through any rough spots you may encounter. For those working at NW2 & NW3 levels, you are welcome to bring a distractor that we can incorporate into your search that is particularly problematic for your dog.

This is a rare chance for you to both practice competing with your dog, *and* to watch the other teams do the same, which is not allowed at an actual trial. We encourage you to have your run filmed by a friend or family member, also prohibited at an actual trial. These two Mock Trial features will maximize your learning experience.

#### SCHEDULE

NW-1      9:30 am check in & walk-thru; 10:00 am – 12 noon searches  
NW-2      12 noon check in & walk-thru; 12:30 pm – 2:30 pm searches  
NW-3      2:30 pm check in & walk-thru; 3:00 pm – 5:00 pm searches
