COME JOIN THE FUN!!

Children's Day is a festival of fun for all ages to unite and celebrate children as our most cherished and important gift. Each year island organizations, local businesses and community members join together to provide a variety of booths, activities and games for this wonderful event. Last year close to 1,000 children and parents attended Children's Day. This year we look forward to even more. **We would greatly appreciate your involvement in Children's Day 2012** and therefore, we would like to extend an invitation to your group to participate. All you have to do is fill out the attached form and email it back to:

[Ricecarol257@gmail.com](mailto:Ricecarol257@gmail.com) or call Carol Rice with questions 360-678-8332.

We hope to offer a variety of engaging activities for children again this year. Interactive games & activities as well as a range for different age groups is important. Please let us know if you would like activity ideas or are open to helping us fill-in needed activities. We have found in the past that booths where children make or create something, engage in a physical activity or with another person, play music, and participate in a group activity are the most popular. We are always excited to see what booth activities are created from year to year.

*Thank you very much for your continued support.*
