**EQUIPMENT** For safety we highly recommend all participants wear helmets. Each participant must have up-to-date equipment which have been adjusted to fit the Snowrider's boots. Equipment must be in good working condition and checked by a ski shop tech. Need gear? Check out Grass Roots Outdoor's ad on the back of this brochure for gear and rentals.

**REFUNDS** The last day to guarantee a refund is December 21st. However, if a participant is injured we do refund the registration fee on a pro-rated basis, contingent on a physician's recommendation. There will be no make up lessons or refunds for classes missed by a student. A \$30 service fee will be charged for all participant initiated refunds and credits.

**CANCELLATIONS** As we cannot control the weather, we cannot guarantee 8 consecutive weeks. A trip may be cancelled due to weather conditions or if pass is closed. We do guarantee to provide services within the normal ski season (Jan.-Mar.) or return unused portion of fee. SWPRD will reschedule any cancelled trips at the first available date. Refunds are only for trips that are cancelled by SWPRD and not rescheduled.

**ONE-TIME RIDERS** Space can be extremely limited on the buses. Our first priority is to provide seats to the riders who have enrolled for the season. In the event that space allows, we make seats available to "One Time Riders." To guarantee a seat we recommend you sign up for the season. Youth signing up for one time must be at least 13 and experienced on the mountain. Registration and payment is required 3 days prior. Information on availability and price will be posted after December 15.
